

Certification Fees – SABER

Product Registration & Product Certificate of Conformity

Our Services Include:

- ✓ Grouping of Products
- ✓ Technical Document Review for PCOC
- ✓ Adding Products to SABER for PCOC
- ✓ Completing/Issuing PCOC

Shipment Certificate of Conformity

Our Services Include:

- ✓ Shipment certificate issuance (SCOC)

Important Notes:

- Actual service fees depend on the type and complexity of your product. Please contact us for a personalized quotation.
- **SADAD Fees:** Government processing fees start at **SAR 500** and vary depending on whether the certificate is a **Product Certificate** or a **Shipment Certificate**. These fees are paid directly to the SADAD system and are separate from our service charges.

Getting Started:

1. Submit your product details via our website or contact our team.
2. Receive a customized fee estimate tailored to your product.
3. Our team will guide you throughout the certification process.
